*The 525 range has a 10 year pro rata warranty that is only available when purchased from a Daisy Expert outlet. Online purchases of the 525 range will carry the standard 8 year pro rata warranty.

WinterKleen covers are ideal when the pool is not in use for extended periods and save your UltraDome Daisy cover from unnecessary exposure. WinterKleen stretches tightly over your pool so that leaves and debris blow off.

2 CHOOSE YOUR ROLLER

Each roller is made for a small, medium or large pool. An overcover and cover attachment kit is supplied with every domestic roller.

5 Star Roller Range 10 year pro rata warranty

A75 Stationary for smaller pools
SQ Squat profile
ST Stationary
MK II Directional mobile
LP Fully mobile, low profile
FM Fully mobile
AGA Above ground, adjustable

125ST Stationary for longer wider pools
125FM Fully mobile for longer wider pools
MAXI Semi Commercial Fully Mobile for larger pools
DP Daisy Power Electric roller, battery powered
AC charge + solar models

BUDDY Cost effective for small pools
UTC 75/100 Cost effective 75 or 100mm for small to large pools
UTCAG Cost effective 50 or 75mm for above ground pools

3 POOL SIZE

Simply decide on the essential details:

(1) type of cover (2) roller system (3) pool size: length (B) X width (A) (+ step area) = Total square metres.

Ask for a quote let's say - 52m² 525B with an ST roller. Take into account if your pool is indoors or outside. Do you need more heat or less or have leaf debris. Remember your roller adds years to the life of the cover. Does your pool have non-standard features? These are some determining facts you need to discuss with us.
