

Experts in water.

**DAVEY**

## APPLICATIONS

Ideal for:

- Lap pools
- Concrete & Tiled pools
- Fibreglass pools
- Vinyl liner pools

## WHY CHOOSE THE PoolSweepa™ Optima Plus+ Cordless Robotic Pool Cleaner?

Unique Battery-powered robotic pool cleaner recommended for pools up to 15m in length that are irregularly shaped and/or have in-pool obstacles, such as islands, pillars and bridges. Features integrated gyro. Cleans pool floor, walls and waterline.

With cordless, battery-powered operation, the Optima Plus+ cleans pools that no other robot can handle. Enjoy:

- Proven, reliable performance powered by a Lithium Ion Battery (LIB)
- Outstanding cleaning efficiency and effectiveness, without intervention
- Super-easy, safe operation and maintenance
- Fast and easy recharging
- The freedom of a cordless cleaner

### The Davey Optima Plus+ features and benefits:

- Scrubs, brushes, vacuums and filters the entire pool
- Advanced scanning program ensures optimal pool coverage, with entire-pool cleaning in 1.5 hours or less
- Integrated gyro further enhances scanning efficiency, precision and maneuverability
- Obstacle escape mechanism enables continual, intervention-free operation
- Battery charger provides fast and easy charging in approximately 4 hours
- Remote control with selectable cleaning programs and manual navigation
- Unique, built-in battery compartment inside the motor unit minimises weight and simplifies operation
- Dual-active brushing delivers top-of-the-line cleaning performance
- Super-convenient top opening filtration compartments for easy emptying and cleaning
