

# MaxFlo<sup>®</sup>

## Medium Head Pump Series

Count on a great pool experience every time.

For above-ground pools, smaller in-ground pools and separate solar systems there is simply no better pump than a MaxFlo. It offers brilliant performance, durability, ease of operation and is super economical.

# MaxFlo® Pump

MaxFlo provides exceptional value by building upon the outstanding reputation of the original through updated features such as CPVC unions, an elevated motor base and a larger leaf holding capacity strainer basket.

For a great pool experience every time, count on MaxFlo.

## MaxFlo Pump Features & Benefits

- Self-priming with suction lift to 8ft above water level.
- PermaGlass XL housing for extra durability and long life.
- Lexan see-through strainer lid.
- Strainer basket with integral, non-corrosive handle.
- Heavy-duty, high performance motor for quieter, cooler operation.
- New, thicker, heavier 40mm barrel unions.

MaxFlo	Input Watts	Volts	Size mm	Noise db@1m	Dimensions			Pump Flow Lpm v Metres Head Loss						
					L	W	H	6m	9m	10m	12m	15m	18m	23m
167	750	240	40	55	600	200	225	310	167	122	78	-	-	-
218	900	240	40	60	600	200	255	395	218	182	148	-	-	-
258	1100	240	40	60	600	200	-	460	258	231	204	140	-	-

Typical Installation for in-ground pools – use 9M guide only. 750w = 1 horsepower. All dimensions listed with barrel unions fitted.
