## Key Product Features & Benefits

### • Cyclonic Vacuum Technology

Cyclonic vacuum technology ensures the MX8 captures maximum debris whilst maintaining maximum cleaning power. Cyclonic suction also allows for a wider cleaning path ensuring both large and small debris are consumed with ease.

### • X-Drive Technology

X-Drive technology provides optimal navigation for aggressive wall and floor cleaning, resulting in unparalleled pool coverage.

### • Flex Power Turbine

The ultra efficient Flex power turbine is at the heart of the MX8. It provides maximum torque while operating at low flow, ensuring the pool system is not burdened.

### • Adjustable Mouth Inlet

The MX8 comes equipped with an adjustable mouth inlet that lets you adjust the size of the throat intake depending on the size of the debris in your pool.
